RE: April Quarterly Report (01/01/2016 ? 03/31/2016)

Dear Ms. Benitz:

We are responding to your letter dated May 4, 2016 regarding our April Quarterly Report.

The Commission is asking for additional information about an offset that Mayday PAC (the Committee) disclosed on line 15 from the ?State of New York Dept. of Taxation and Finance?. The Committee has utilized two different payroll vendors for payroll services, MPAY and Paychex, which include payment of staff compensation, preparation of payroll filings, and payment of related payroll taxes. The Committee paid these payroll vendors lump sum payments, and the vendors in turn relayed the taxes to the appropriate state governments. The state of New York subsequently determined that the Committee had overpaid its taxes. The state decided to issue the refund directly back to the Committee, which is why the payor listed on the offset entry (?State of New York Dept. of Taxation and Finance?) was not listed as the recipient of any past Committee disbursements.

We hope this adequately answers any questions you may have about this offset. Thank you for your consideration.

Yours truly,

Mark McKinnon
Treasurer
